

Inspiring a Lifetime of Rare Experiences

Noonu Atoll - Maldives

Inspiration in its Purest Form

An imaginative journey that began over two decades ago, the Soneva story continues with Soneva Jani, the brand's newest luxury resort offering. Inspired by a word that means 'wisdom' in Sanskrit, Soneva Jani encompasses a collection of Water Villas and Island Sanctuaries set within a lagoon of crystal clear waters, fringed by pristine beaches and blanketed in lush tropical greenery.

The highlight of the islands that the resort calls home is the 5.6 kilometre private lagoon that surrounds it; an awe-inspiring azure spectacle that inspires a sense of calm.

Location

Soneva Jani, located in the Edufaaruu lagoon in the Noonu Atoll, comprises five islands, the largest of which is Medhufaru, which is 150 acres in size. The resort can be reached by a scenic 40 minute seaplane flight direct from Malé International Airport, a 60 minute speedboat ride from Soneva Fushi, or by a leisurely half-day cruise from Soneva Fushi onboard Soneva in Aqua.

Stay

The resort is where the embrace of nature is enhanced by the caress of luxury. Guests will be treated to a unique 'castaway' experience within the spacious villas, which feature beautifully designed interiors made from the highest quality sustainable materials.
