The two-cabin yacht combines Soneva's iconic barefoot luxury with a sense of freedom and exclusivity of a private boat charter, while being at the price-point of a two-bedroom villa at Soneva Fushi.

Soneva in Aqua, while being supported by engine power, relies on nature to provide the majority of its energy through its main sail.

Dine

Indoor and outdoor dining experiences await guests and promise to be both distinctive and memorable. The on-board Sous Chef will design bespoke menus as per guests' preferences to create their favourite dishes as well as some Maldivian specialties, caught fresh from the ocean.

The crew will be delighted to offer guests unique dining experiences such as castaway picnics on uninhabited islands or dining under the starlit sky with sand beneath their toes.

Relax

The onboard therapist offers a wide range of treatments and personalised wellness activities. Each holistic therapy presents an exhilarating sensory journey whilst at sea or on a secluded stretch of island. A private sunset massage on the sandbank, invigorating early morning Tai Chi or yoga on the deck; the possibilities are endless.
