

A STYLISH SEASIDE RESORT

Located in the heart of Sanur, Maya Sanur Resort & Spa is a five star, eco-friendly resort designed by award winning architect, Budiman Hendropurnomo of Denton Corker Marshall - Jakarta, where green initiatives have been promoted throughout the design process.

GUEST ACCOMMODATIONS

The resort offers a total of 103 rooms, encompassing spacious beach front pool suites, deluxe rooms, many with direct lagoon pool access, and connecting rooms. The overall concept of the resort is designed to maximize views of the ocean from as many rooms and public areas possible and will allow guests to access its green rooftop.

FACTSHEET

RESTAURANTS AND BAR

Reef Restaurant | Beach Front

Signature restaurant with indoor dining and alfresco service on the terrace. Adjacent to the main swimming pool and offers beach views. Breakfast features a sumptuous sunrise buffet. Lunch and Dinner selections are from the a la carte menu of Asian and Western cuisine.

Tree Bar | Beach Front

The three level Tree Bar overlooking the sands of Sanur Beach features a wide range of beers, tropical cocktails, fresh juices and soft drinks along with light nibbles.

Graze | Street Side

Graze offers a cafe-style service featuring all day international breakfast selection, plus soups, salads, sandwiches, snacks and light meals.

Kuu | Street Side

The contemporary Kuu offers a Japanese style dining featuring small sampler dishes of Japanese's all-time-favourites from skewers to noodles and more.

In-room Dining

Offering a selection of dishes from each restaurant plus daily specials, in-room dining is available 24-hour. There is also the choice of set menus each evening, for romantic candle light beach front dining.

THE LOUNGE

Located on the 4th floor of the resort, this comfortable departure lounge offers air conditioned comfort for you to relax prior to departure.

RECREATION

Maya Sanur offers a variety of on-site recreational activities. Complimentary services include two large swimming pools, yoga studio and a fitness centre.
