BOAT TRANSFERS TO AND FROM WA ALE

The adventure begins once you embark on one of Wa Ale's speed boats. Guests will be transported to Wa Ale by either a luxury speed boat or an 11 meter RIB (rigid inflatable boat).

The boat ride to Wa Ale from the Kawthaung Jetty is 1 hour and 40 minutes dependent upon waves and weather conditions. Our boat captain and crew will insure a safe journey and provide guests cool towels, beverages and snacks on board. Upon arrival to the protected mangrove entrance of Wa Ale, our staff will guide guests to disembark onto a handmade rock pathway that leads to an idyllic short walk to our Main Pavilion.
