MUSCAT, OMAN

THE CHEDI MUSCAT

The Chedi Muscat, a member of The Leading Hotels of The World and Oman's first contemporary hotel, first opened its doors in 2003. The resort offers understated elegance and a perfect mix of Omani architecture and a profound Zen style.

The minimalist lines of the low-rise buildings are accentuated by gardens of symmetrical simplicity, with lines of immaculately manicured hedges and ordered water ponds, creating a tranquil Zen calm. All 162 non-smoking rooms have breathtaking views across the gardens and ponds, mountains and the Gulf of Oman.

As well as a 383-metre private beach, The Chedi Muscat offers guests a choice of three pools: the infinity Chedi Pool and Cabana set on a superb seafront location, the 103-metre Long Pool, the lengthiest in the region – that is also for adults only and, the family-friendly Serai Pool with its black mosaics and elegant canopy.
