

1

The Meaning of Chedi

The word 'Chedi' refers to a **place of meditation** and has been associated with settings where one finds peace. In the same way, The Chedi Muscat is created as a **tranquil environment** so travellers may **rediscover the joys of stillness and be soothed by calmness** in a backdrop of beauty and comfort.

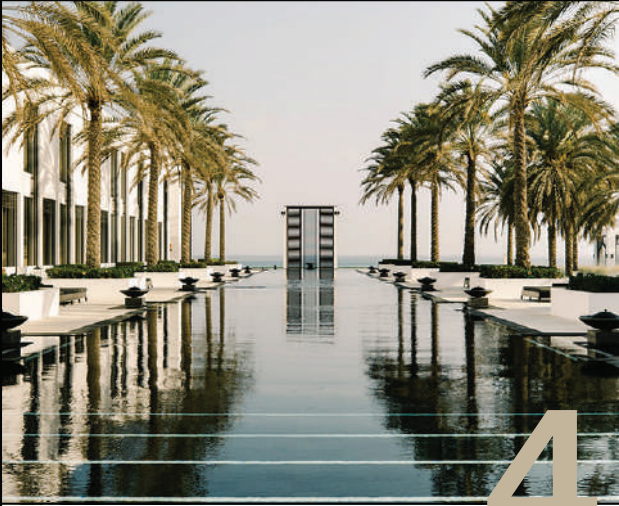

2 **Gastronomic Experiences**
Indulge in **6 restaurants and 2 lounges** offering global cuisines such as **Asian, Arabic, Indian, Japanese and Mediterranean**, in addition to seafood served at The Beach Restaurant.

3

Spacious and Secluded Rooms

All **162 rooms and suites** have breath-taking views across the gardens, ponds, mountains and the Gulf of Oman. With **only 15% of the total plot area built upon**, for each room we have more than 500sqm of landscape.

4

Rejuvenating Health & Wellness

Relish in a **1,500sqm health and wellness centre** featuring an award-winning spa, that is a true sanctuary specialising in Balinese therapy with fully self-contained spa suites + a relaxation lounge **overlooking the sparkling waters of the Gulf of Oman**.

5 **Symmetrical Sophistication**
Spread across **21-acres or lush green oasis**, the minimalist lines of the low-rise buildings are accentuated by gardens of **symmetrical sophistication**, with lines of manicured hedges and ordered water ponds, creating a tranquil zen calm.

6

World Renowned Designers

The Chedi Muscat was designed by **Jean-Michel Gathy** (Architect & Interior Designer), **Yasuhiro Koichi** (Restaurant & Interior Designer) and **Karl Princic** (Landscape Designer).

7

Private Beach & Sparkling Pools

The resort boasts a 383m private beach and three pools: the adult-only pools include the infinity **Chedi Pool** set on a superb seafront location and the **Long Pool**, the lengthiest in the region at 103m in addition to the family-friendly **Serai Pool** with its black mosaics and elegant canopy.

8

Managed by GHM Hotels

General Hotel Management Ltd. is known for conceptualising, developing and operating an exclusive group of resorts worldwide. Legendary hotelier and founder of Aman Resorts, **Adrian Zecha** founded **GHM in 1992**.

9

Leading Hotels of The World

The only LHW member in the Sultanate of Oman, offering understated elegance. The signature GHM style blends contemporary interpretations of Asian designs and distinctive Omani touches to **create inspired, memorable spaces**.

10

Lush Grounds & Abundant Birdlife

The Chedi Muscat has over **330 palm trees** planted on 74, 000 sqm of land, **13 water gardens, 9 traditional falajs**. The Chedi Muscat's lush surroundings have become a **sanctuary for over 35 bird species**, offering birdwatchers and nature enthusiasts a unique and captivating experience.
