IN BALI

*On the Island of the Gods,
your adventure together begins...*

Bali is one of the most sought-after wedding destinations in the world. With its golden beaches, lush landscapes and rich traditional heritage, the island offers something to cater to every couple's vision.

Each of our three Bali properties lends something unique to your special occasion: COMO Uma Canggu offers stylish beachfront elegance, just steps from the ocean; COMO Shambhala Estate is hidden amid lush forests and rivers, allowing you to celebrate in harmony with nature; and COMO Uma Ubud sits at Bali's heart, the perfect intersection of vibrant culture and jungle tranquillity.

Whether you're planning an intimate gathering or a spectacular celebration, we are able to tailor our venues and services to suit your requirements, helping you to bring your dream wedding to life.

Our Event Coordinator will work closely with you to bring your vision to life, with tailored dining menus, decorations and entertainment to create a truly unforgettable experience for you and your guests.

Each of our properties are equipped with a COMO Shambhala wellness centre. Whether you're seeking relaxation, rejuvenation, or balance, our wellness facilities provide the perfect environment to enhance your experience before and after your special day.

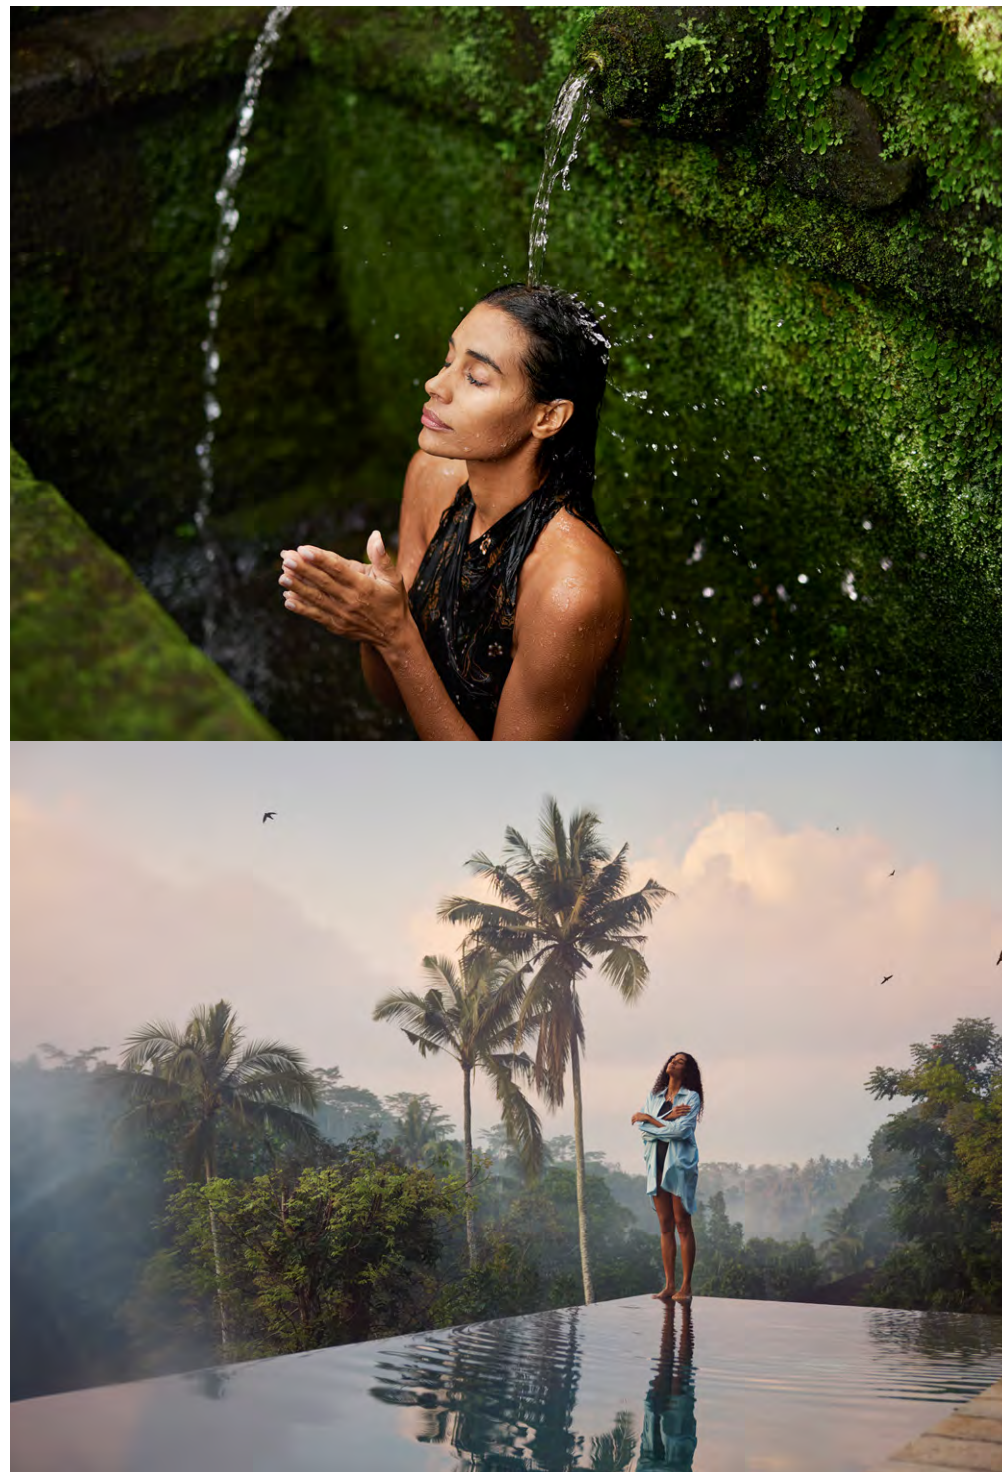

COMO Shambhala lounge deck

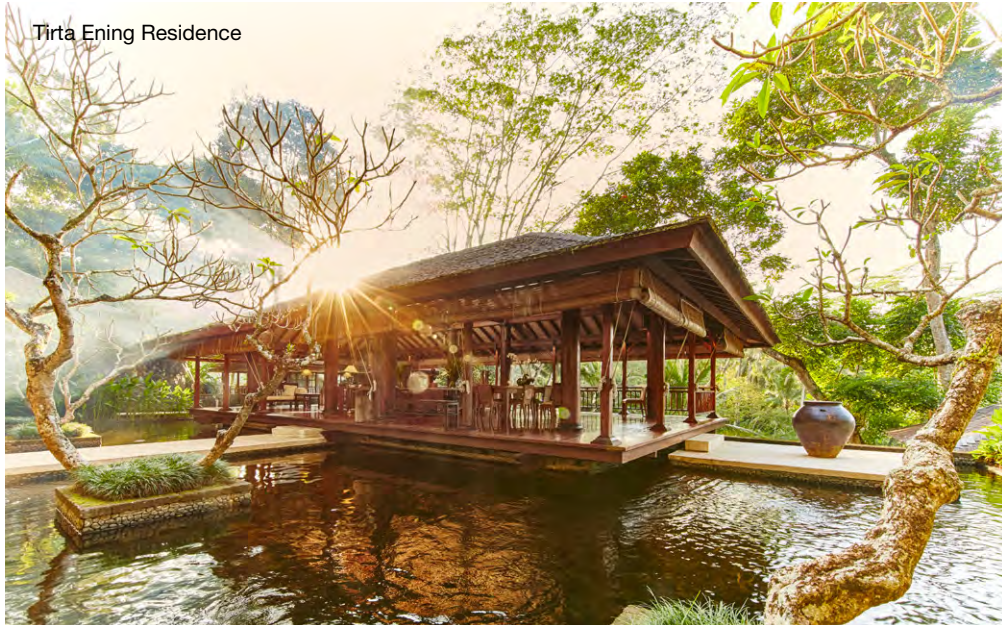

Talk to us about what you need – and how you want your event to expand into a longer stay on the island, whether that's an intimate sunrise adventure for two, or full days of activity for the wedding party.

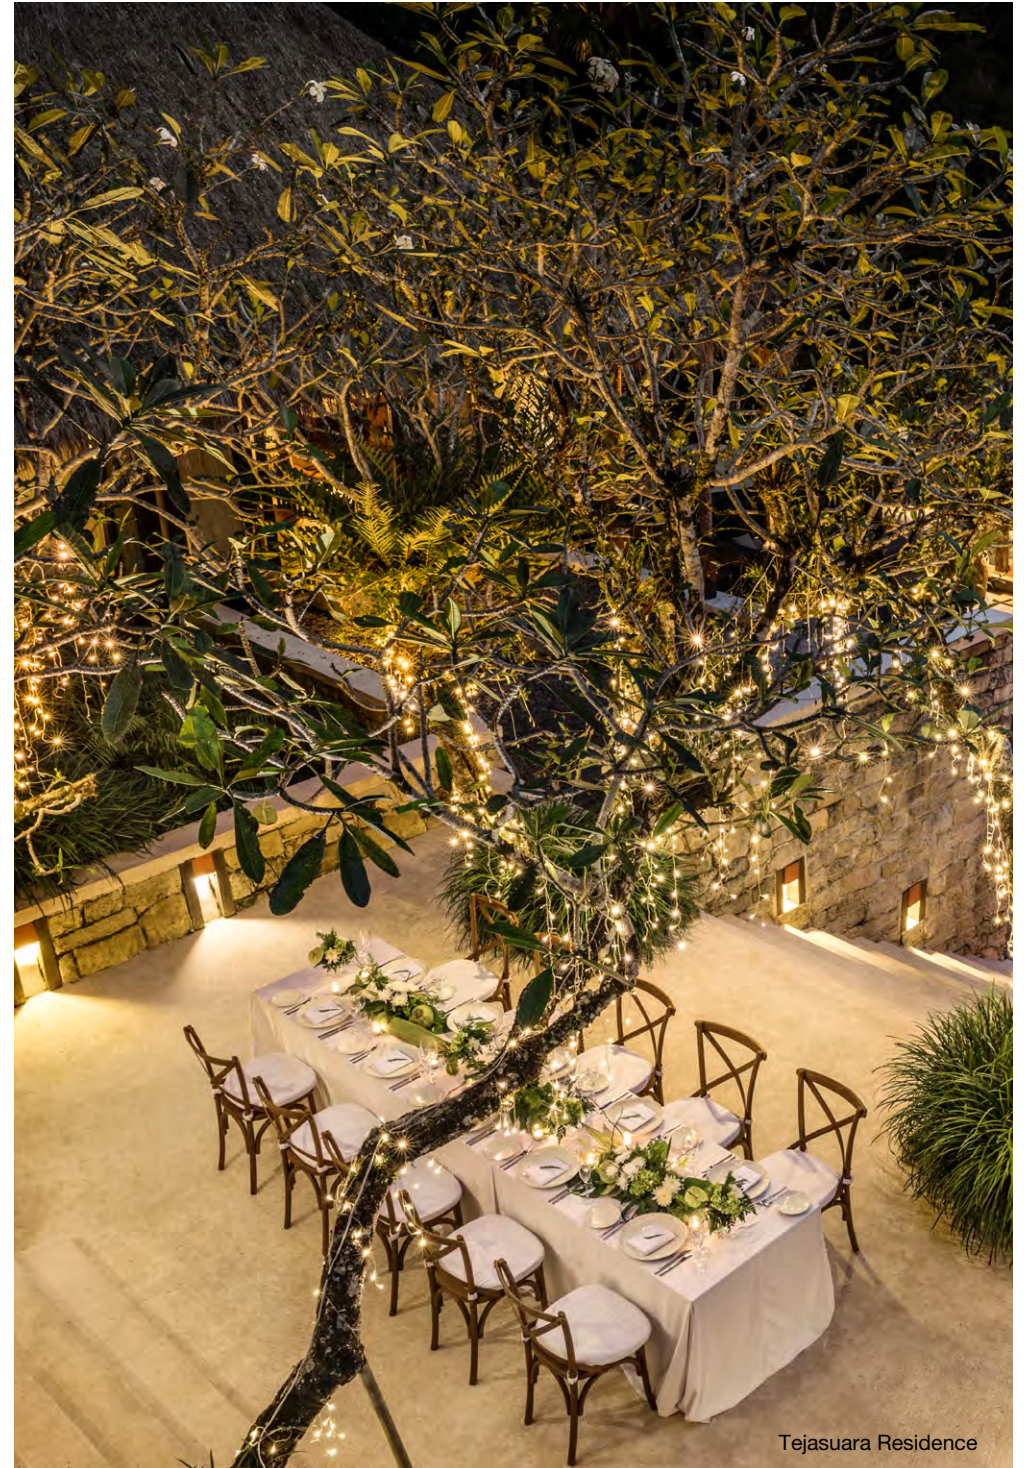

You could learn to surf in Canggu, take part in a purification ceremony at a holy spring near Ubud, or enjoy a private couple's cooking class. Whatever your ambition, our commitment is to make your plans run smoothly, from the moment you enquire about a COMO wedding to your island honeymoon.
